Practice Record

Student name: _____ Due Date: _____

Track your progress in the area of All-Region music. Record What you practice, when, and how long.

Grading rule: 0.5 point per minute.

Turn in every Monday during class

	Monday	Tuesday	Wednesday	Thursday	Friday	Saturday	Sunday
what							
when							
what							
when							
total (in minutes)							

Total Minutes
Total Grade

The best way to practice is to practice a small amount everyday. It is better to do 15-20 minutes everyday than a longer period every several days. Parents please encourage this habit of practicing everyday. It is also a life skill that will serve the students well throughout all aspects of their education and life outside of school.

I certify that this record is true and accurate. Turning in a false practice record will result in a zero and a reduced conduct grade.
